

REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)

P-5360-US1

I hereby declare that:

Each inventor's residence, mailing address and citizenship are stated below next to their name.

I believe the inventors named below to be the original and first inventor(s) of the subject matter which is described and claimed

In patent number 6,307,878, granted OCTOBER 23, 2001 and for which a
reissue patent is sought on the invention entitled CELLULAR TELEPHONY SEARCHER

the specification of which

☒ Is attached hereto.

☐ was filed on _____ as reissue application number _____
and was amended on _____
(if applicable).

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

☐ I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b). Attached is form PTO/SB/02B (or equivalent) listing the foreign applications.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

I verily believe the original patent to be wholly or partially inoperative:

by reason that the patent claims less than I had a right to claim in the patent. The claim or claims will be partly inoperative in failing to protect against infringement of all embodiments of my invention. With reference to the issued 6,307,878 patent, the prosecuting attorney failed to draft or present apparatus claims drawn to a number of embodiments of the invention including, e.g., a communication device incorporating one or more aspects of the invention, and a cellular communication system incorporating one or more aspects of the invention. Thus, it is clear that the prosecuting attorney did not fully appreciate the scope of the invention, which caused the attorney to claim less than the Applicant was entitled to given the specification. Applicant merely wishes to correct this oversight with this reissue Application. I hereby indicate a desire to seek broadened claims as indicated in the Preliminary Amendment filed herewith. I further acknowledge my duty to disclose information which is material to the examination of the application under 37 CFR § 1.56.
